Committee Introductions

Committee Introductions

- Name?
- How many years have you lived in Henderson?
- Interest/Role in Community?
- What key objective would you like to see this Comprehensive Plan achieve?

• Icebreaker: What is your favorite place in Henderson?

Comprehensive Planning Overview

What is a Comprehensive Plan?

- A comprehensive plan is a document that states a community's desired vision for the future.
- It consists of a single plan or coordinated set of plans organized by subject and sometimes geographic area.
- It will include a Land Use Strategy, Development, Infrastructure and Public Services Strategy, Economic / Fiscal Strategy, Mobility Strategy, and Strategic Investment Areas Strategy.
- While a comprehensive plan states the community's vision for the future, it does not constitute zoning regulations or establish zoning district boundaries.

How is a Comprehensive Plan Used?

- A comprehensive plan is used to coordinate and guide the future establishment of development regulations.
- It is used to provide a basis for future zoning decisions.
- It also helps to guide public investments in transportation and other infrastructure improvements to aide in guiding future development.
- It is a policy document that includes an implementation plan for use by City Officials.

Why Prepare a Comprehensive Plan?

- Texas Local Government
 Code requires zoning
 regulations to be adopted
 in accordance with a
 comprehensive plan.
- This is the City's first comprehensive plan.

Committee Exercise

Committee Exercise #1

Committee Exercise #1 Overview

- Please go to the aerial map on the easel and using the colored dots provided:
 - Place blue dots on the areas that you believe to provide the greatest future opportunity for the community
 - Place red dots on the areas that you believe have conditions that need to be addressed in the future
 - Place yellow dots on the areas that are working well today as existing community assets
- You will have 15 minutes to complete this exercise

Committee Exercise #1 Summary/Discussion

Committee Exercise #2

Committee Exercise #2 Overview

- Divide up into two or three small groups
- Review the different comprehensive plan elements listed below:
 - Infrastructure & Facilities
 - Parks, Trails, & Open Space
 - Economic Strategy
 - Mobility
 - Downtown
 - Housing & Neighborhoods
 - Future Land Use
 - Placemaking & Urban Design
- Rank the different elements based on what you think is most important elements to discuss in the Henderson Comprehensive Plan
- Use an Expo marker to expand on the specific issues/opportunities that exist in Henderson for that element
 - EXAMPLE: Mobility → "Mobility was ranked #1 because the City lacks multimodal infrastructure and should focus future improvement dollars creating sidewalks and trails."
- You will have 15 minutes to complete this exercise

Committee Exercise #2 Summary/Discussion

Next Steps

Next Steps

- The overall community will continue to be engaged through an online survey and interactive map www.HendersonTX2050.com
- The consultants will facilitate the Community Open House to be held in July.
- Feedback from the focus group interviews, Community Charrette and online survey will be summarized and brought to the Advisory Committee in Early December for Committee discussion and direction.
- Based on that direction a preliminary scenario for the future of Henderson will be developed for committee and community discussion and feedback.
- The City Council will be briefed on the Plan's strategic direction later this Summer

Thank You!
