Virtual Public Meeting on the Draft Plan

Following over a year of extensive community collaboration and planning, Plymouth's Comprehensive Plan (formerly called the Master Plan) is at an exciting milestone with the completion of the draft plan!

Join the project team at a virtual public meeting on the draft Comprehensive Plan and how it will shape the future of our town. The presentation will include a recap of the planning process, a summary of community feedback that informed the draft plan, and highlights from the draft plan. There will be time for questions and comments after the presentation.
