DIRECTIONS:

1. Cut a piece of Thick Whisper White cardstock to 6-1/4"x7-3/4". Score at 2" on all four sides. Cut up to the score lines on both sides. Using Tear Tape or Multipurpose Glue fold tabs in to create the box. (see the Facebook live broadcast 1-9-19)
2. Cut two pieces of Poppy Parade cardstock larger enough to die cut the largest rectangle from the Stitched Framelit Dies. Die cut 2 rectangles for the front and back of the box.
3. Using Whisper White Cardstock and the cluster of hearts from the Be Mine Stitched Framelit Dies cut out the image. Place the Multipurpose Adhesive Sheets on the back so it will be easier to adhere to the front of the box. Place at the bottom of the front panel of the box.
4. Die cut the two largest hearts from the Be Mine Stitched Framelit Dies. Cut them out at the same time. Place the Multipurpose Adhesive Sheets on the back before you die cut them out to make it easier to adhere to the front of the box.
5. Stamp the sentiment in Poppy Parade and then a few of the hearts from the MeantTo Be stamp set. Adhere to the front of the box above the heart cluster.
6. Using some Mini Stampin' Dimensionals and the little hearts from the cluster of hearts place a few on the front of the panel.
7. Place a few strips of Tear Tape on the front and back of the box. Place the front and back panels on the box. Using one of the Gold Library Clips pinch together to close the box. Make a bow using the Whisper White Bakers Twine. Adhere the bow to the Gold Library Clip using a Mini Glue Dot.
8. Fill with your favorite treat!
