DIRECTIONS:

1. Cut Balmy Blue to 8-1/2" x 5-1/2" and score at 4-1/4". Stamp the owl in Balmy Blue and stamp on a scrap piece of Balmy Blue cardstock. Cut out using the owl framelit.
2. Cut a piece of Night of Navy to 4x 5-1/4" and adhere to the Balmy Blue base using Snail.
3. Cut a piece of Whisper White to 3-3/4" x 5"
4. Using Versamark stamp the tree branch in the center of the card, cover with the Silver Embossing Powder and set using the Heat Tool. Stamp the star images randomly all over the rest of the Whisper White cardstock. Cover with the Silver Embossing Powder and set using the Heat Tool. You can stamp a few and then cover with the embossing powder or do them all at once. You just have to make sure you are not stamping on areas where you have already stamped.
5. Using Balmy Blue ink apply all over the card front using a Stamping Sponge. Repeat this process using Night of Navy and Rich Razzleberry inks. Make sure you start out light and build your colors to the depth you want to achieve. Make sure to go a little light in the center and to highlight you can use the Pineapple Punch ink.
6. Using The Stampin' Spritzer fill with some Rubbing Alcohol and water, add a few drops of the Champagne Mist Shimmer Paint. Spritz a few times until you get the coverage you are happy with. Allow to dry and then using Snail adhere to the Night of Navy layer.
7. Stamp the sentiment in the center of a piece of Night of Navy cardstock using VersaMark. Cover with Silver Embossing Powder and set using the heat tool. Using the Tailored Tag Punch banner punch the ends. Place a few Stampin' Dimensionals on the back and place on the card front in the center.
8. Place a few Stampin' Dimensionals to the back of the owl and attach to the center of the card on the tree branch.
