How BOGO works:

- When you choose my retired/used items in the post by emailing me the item number, you have selected to purchase that (if you're the first person) from Dorothy by placing an order with Dorothy for the equal amount of the total of items you have chosen.
- You will not receive rewards because you will be receiving equal dollars (match) in free merchandise for your order placed.
- You choose the BOGO items from the post, then you place the order by emailing it to me (stampinwithdorothy@gmail.com) along with your cc info.
- Shipping will be due for the free items you selected unless you are local and wish to pick up.

For every dollar spent, you choose equal value from my retired store! No limit!

After you have "won" all of your items from the post, I will email you your total (you may think you won something someone beat you to), and then you will send me your order. **ONLINE ORDERS DO NOT** count, please send your order to me for me to place.

Shipping for BOGO is separate (pick up is free). I will invoice you for this. For this BOGO, I will invoice you as soon as possible.

Please pay by . Your BOGO packet will be mailed by J from

me if your shipping invoice is paid and order is placed.

After choosing BOGO you must email your order to me by -
– no exceptions. Within 24 hours of receiving shipping
invoice, please pay that as well.

*If you do not submit order BOGO items are released.

How to choose BOGO:

First come – type in the NUMBERS you choose in
the **BOGO video** as a comment (make sure you click here
to allow me to see your name on the video). You can send
me a list of what you'd like after the video, but the **video
participants are first come. Please note:** we will go by
what we see here on our video feed as first commenter.

BOGO is sold as is, no refunds/exchanges.
