Measurements (in inches)

Cardstock

- Card Base - (2 pieces) 4-1/4 x 11, score at 5-1/2

Basic White

- Inside Layer - 4 x 5-1/4

Designer Series Paper

- Layer - 4 x 5-1/4 (if using 2 different patterns, cut 2 pieces)

Instructions:

- Fold and burnish the card base pieces. Cut both diagonally from score line to bottom corner.
- Adhere the card bases together so the flaps open as shown in the video.
- Cut the Designer Series Paper in half diagonally. Be sure to look at the direction you are cutting. Have the pattern you want facing up and cut from the top left to bottom right. If you are using the front and back patterns for the card you only need to cut one piece. If you are using 2 different patterns, cut one from top left to bottom right and the other from top right to bottom left. Just double check you are cutting them so they will fit on the triangle card base flaps.
- Adhere the Designer Series Paper triangles to the card flaps.
- Decide whether you want your card to be portrait or landscape and stamp and decorate the inside layer accordingly. Adhere to the inside of the card.
- Decorate and embellish the front with die cuts as desired. Be sure to put adhesive only where it will sit on a flap so the card opens.
- Tie ribbon around the card to keep it closed.
