Instructions

- Fold and burnish card base
- If stamping image on front layer, stamp in black ink or use a piece of patterned paper.
- Use a die (I used the Stylish Shapes Dies) to cut out a piece of the layer that you want to spotlight.
- Color the image on the piece you cut out.
- Mat the piece with cardstock a little larger or just use the one piece you colored. Adhere in place, making sure the image is lined up with the layer, with Dimensionals.
