## Instructions

- Fold and burnish the score lines on the card base and front piece.
- Adhere the inside panel.
- Watch the video for the following steps
- Use strong adhesive (Tear & Tape) to adhere the right side of the front panel to the right end of the card base.
- Fold the bottom right corner of the white piece to create the mechanism.
- Put strong adhesive on the folded part of the mechanism. Open the front piece and adhere the mechanism along the edge of the score line (folds down).
- Die cut the image you want to pop up making sure it's not wider than 1-3/4.
- Adhere the Window Sheet strip to the mechanism piece with strong adhesive. Adhere the pop up piece to the window sheet.
- Put strong adhesive on the right edge (between the end and the score line) of the front piece and fold it back to adhere it to the left side of the card base.
- Add the Designer Series Paper strips to the card.
- Stamp a sentiment on a label and adhere to the front piece.
- Decorate the back layer and adhere to the back of the card.
- Embellish as Desired.
