Cardstock

- Card Base - 4-1/4 x 5-1/2
- Pop-Up Piece - 4-1/4 x 9-1/2, score at 1/2, 1-1/4, 2, 2-3/4, 6-3/4, 7-1/2, 8-1/4 and 9

Basic White

- Sentiment Label
- Back Layer - 4 x 5-1/4

Window Sheet

- 3-1/2 x 3-3/4

Designer Series Paper

- Card Base Layer - 4 x 5-1/4
- Pop Up Layer - 3-3/4 x 4

Instructions

- Adhere the base Designer Series Paper layer to the card base.
- Fold and burnish the score lines on the pop-up piece
- Adhere the Designer Series Paper for the pop-up piece to the center of it.
- Use a die to cut out a window in the center of the pop-up piece. Use dies that will nest so you can create a frame for the window and be sure that the die fits nicely on the top area.
- Use the same die you used for the window and the next size larger to cut a frame for the window. Lay both dies together, centering the smaller one inside the larger one and run it through your die-cutting machine.
- Adhere the frame around the window in the pop-up piece.
- Adhere the window sheet to the back of the pop-up piece to cover the window.
- Create the columns by putting strong adhesive on both ends of the pop up piece. Fold on the second score line and then close it on the next score line. Repeat on the other side. See the video for this step.
- Adhere the pop-up piece to the card base using strong adhesive on the bottom of the column that will sit on the base. Make sure it's centered well before you press it down.
- Add a label and decorate as desired.
- Stamp a sentiment and decorate the back layer and adhere it to the back of the card.
