Measurements (in inches)

Cardstock

- Card Base - 5-1/2 x 8-1/2, score at 4-1/4

Basic White

- Front Layer - 3-3/4 x 5
- Piece to stamp floral image - 4-1/4 x 5-1/2
- Inside Layer - 4 x 5-1/4

Designer Series Paper

- Front Layer - 4-1/4 x 5-1/2

Instructions:

- Score and burnish the card base. Adhere the Designer Series Paper to the card front.
- Stamp the floral image on the Basic White piece in Black Memento Ink. Use a very large block or a stamp positioning tool for this large stamp.
- Use Masking Tape or a Post-It Note or Tape to secure the stamped image to scrap paper so it doesn't move.
- The masks are numbered and the first mask (#1) will have the more open background and use light colors and light pressure when blending. Use darker colors or more pressure as you move through the masks. Also, there is a notch at the top of each mask. Use that as a guide to placement of each mat by marking a pencil where the notch sits on your scrap paper.
- Lay the first mask over the stamped image and make sure you line it up around the stamped image. Tape it down so it doesn't shift. Mark the notch to help line up the remaining masks.
- Lightly Blend ink all over the open areas of the mask.
- Remove the mask and place mask #2 over the stamped image. Line up the notch and then make sure the open areas of the mask line up with the stamped image. Tape the mask down, Use more pressure or a darker color when blending the ink.
