Instructions:

- Fold and burnish card base.
- On the 2 x 5 layer, mark at 1/2" increments on both edges along the 5" sides.
- Use a Silicon Craft Sheet to lay the white layer that you marked. Adhere the Designer Paper Series strips at an angle from one pencil mark across to the next lower pencil mark (from left to right) as shown on the video. Adhere all the same pattern from top to bottom. TIP - Use the pattern that will look like the back of the ribbon first.
- Adhere the other patterned strips starting at the other edge from right to left all the way down the right side.
- Turn the white layer over and trim off the excess strips from the back.
- Adhere the layer to the cardstock mat and then to the white front layer. Adhere to the card base.
- Stamp a sentiment on a label and adhere to the card with Dimensionals. Add die cuts if you want.
- Add embellishments as desired.
