Measurements (in inches)

Cardstock

- Card Base - 4-1/4 x 5-1/2
- Slider Mechanism - 2 x 6, score at 2 and 2-1/2
- Mat - 2-3/4 x 3-3/4

Basic White

- Layer - 3-3/4 x 5
- Focal Piece - 2-1/2 x 3-1/2
- Inside Layer - 1-3/4 x 2-1/2

Designer Series Paper

- Layer - 3 x 4-1/4

Instructions:

- Adhere the white layer to the card base.
- Stamp the white focal piece and adhere to the mat.
- Fold and burnish the mechanism piece. Round the corners of the long end if desired.
- Cut a slot in the center of the Designer Series Paper piece. I used the smallest rectangle from the Textured Notes Dies (about 3/4 x 2-1/8). This can vary along as it will fit the slider piece and isn't wider than the focal piece.
- Add Tear & Tape to the narrow area between the score lines on the outside of the mechanism piece. Add Tear & Tape to top of the inside of the short end.
- Remove the release paper from the area between the score lines and adhere to the back of the focal piece. Make sure your focal piece is upside down then you do this. Line it up so the long piece is at the bottom and the short piece with the Tear & Tape is facing you. It should be lined up right along the bottom edge of the mat piece.
- Slide the long end of the mechanism piece through the slot of the Designer Series Paper and make sure it's lined up and centered. Remove the release paper from the mechanism piece and adhere to the Designer Series Paper.

- Use Dimensionals to adhere the Designer Series Paper to the card base making sure the pull on the mechanism is lined up along the bottom of the card base.
- Stamp and decorate the inside layer and adhere to the inside.
- Punch hole and add ribbon to the pull tab if desired.
- Embellish as desired.
- Use Glue Dots to adhere a gift card to the inside.
