Measurements (in inches)

Cardstock

- Card Base - 5-1/2 x 8-1/2, score at 4-1/4
- Mat for label

Basic White

- Front Layer - 4 x 5-1/4
- Label
- Inside Layer - 4 x 5-1/4

Instructions:

- Fold and burnish the card base.
- Layer 2 or 3 baby wipes and place them on a nonporous surface. I used an empty stamp case.
- Squeeze drops of ink refills onto the baby wipe. Use multiple colors and fill in to an area that will fit the largest stamp you plan to use.
- Press your stamp onto the baby wipe and then stamp on the white layer. Start with the largest image and then continue with the next size filling in with the smallest.
- Adhere the layer to the card base.
- Stamp the sentiment on the white label and adhere to the mat, then to the card with Dimensionals.
- Embellish as desired.
