## Measurements (in inches)

### Cardstock

- Card Base - 8-1/2 x 8-1/2
- Inside Pocket - 3-3/4 x 3-3/4, cut in half diagonally. You will use one of the triangles for the inside.

### Basic White

- Label
- Inside Layer - 4 x 4
- Inside Note Card - 3-1/4 x 3-1/2

### Designer Series Paper

- Front & Inside Layer - 4 x 4
- Inside Note Card Strip - 3/4 x 3-1/4

## Instructions:

- Score the card base at 4-1/4 on both sides.
- Score from the center (where the score lines cross) to the top left point diagonally.
- With the diagonal score line to the top left cut across from the center (where the score lines cross), horizontally to the outer right edge.
- Fold the card to create the pop up corner fold. To do this, keep the diagonal score line at the top left, fold the card down in half, fold on the diagonal and then fold over. Put a strong adhesive on the card and fold down the top. (Watch the video to see how to do this).
- Adhere the Designer Series Paper square to the front and inside.
- Stamp and decorate the inside white layer and adhere to the inside.
- Adhere the triangle piece to the pop out area making sure it's below the diagonal fold and only put a strong adhesive along the edge to give enough room for the note card to fit in.
- Adhere the strip of Designer Series Paper to the white piece and slip it in the triangle.
- Add a sentiment and decorate the card front. Embellish as desired.
