Early Espresso layer 3 1/4" X 4 3/4", Belly Band 3/4" X 8", scrap for Oval die cut.

Directions:

1. Stamp the images you want on the inside of the card first. Don't fold on the pre-scored line yet.
2. Flip note card to the outside and align the pre-scored mark at 3 1/2" with the cutting groove on the trimmer. Move card 1/16" to the right and score, Move card back to 3 1/2", then move 1/16" to the left and score. (basically you will have 3 score lines right next to each other). Bend card slightly in half and line bottom edges up with the raised bumper at the top of the Stampin' Trimmer, and gently fold, taking care to fold on all 3 score lines.
3. To create the insert, score as directed above. On the center (4 1/2") score, fold the paper the opposite way you want it to go...paying attention to the direction of the pattern. Use a ruler to mark (from right) at 3/4" and 4 1/4". Line center of Classic Label punch up with the score lines and punch using the center line in the punch as a guide. Open Inset back up and place choice of glue on both sides from score line to score line. and fold, reinforce all score lines well with a bone folder. Add adhesive to the 2 remaining flaps and place them in the center of the card, and close the card. Open back up and make sure the flaps adhered well to the inside, and push them down with a bone folder.

4. Place Gift Card into holder's insert and close.
5. Emboss the belly band, and then wrap it around the outside, with the seam in the front.. Place adhesive on both tips of the band and bring together. Test the band to make sure that it slides well and isn't too tight or too loose. Place adhesive on top of the band, and add the Early Espresso Oval. Use a Real Red Stampi! Write marker to add the nose. Next place dimensionals on the oval with the deer and adhere to the top.
