Directions:

6" X 6" piece of DSP, cut off 3/4". Save 3/4" X 6" piece for the belly band.

On the 5 1/4" side score at 3/4", turn over and scor 3/4" on the other side.

On the 6" side, score at 1 1/4" and 3 3/4"

Cut all four corners off up to middle score lines. Cut small angles on the sides (this makes the DSP fold better).

With the Envelope Punch Board, Corner punch the bottom of the small flaps.

Fold all score lines and burnish with bone folder.

Place adhesive on small inside flaps (the ones that have angle cuts), fold bottom up over these flaps.

Wrap the 3/4" X 6" piece around the closed holder, it needs to be a snug fit, but not so tight that it won't slide. Adhere both sides, put the seam in front and adhere embellishment over the seam. (For Felt embellishments, use 3-4 glue dots).

To make tags, punch out cardstock with Classic Label Punch, flag the ends and adhere to the underside of the belly band.
