How to Make this Adorable Witch Hat:

1. Cut a piece of Basic Black cardstock 4 1/4" X 11. Cut a 1" X 5 1/2" strip of Basic Black cardstock. Cut a strip of Spooky Night Designer Series Paper 1" X 5 1/2". You will also need a scrap piece of Cajun Craze for the buckle.
2. Score the 4 1/4" piece of cardstock on the 11" side at 5 1/2".
3. Line up the 4 1/4" side at 2 1/8" and make a mark with pencil or scoring blades on the top and bottom.
4. Align the mark at the top with the score line (which was at 5 1/2") in the cutting groove of the trimmer and score. Repeat this on all for sides.
5. Fold score lines and reinforce with a bone folder. Erase pencil marks.
6. Add adhesive (I recommend Fast Fuse, Tear and Tape or Tombo Multipurpose Liquid Glue since this is a box and we don't want it to come apart!) to the top corners on one side...it's important to only put adhesive on the corners and not all the way across so that the top of the hat will remain open to put treats in and out by just squeezing the edges.
7. Bring both sides together. You should now have a triangular-looking box.
8. Attach Brim by centering it with dimensionals (optional, you can make it flat), then from the bottom corner of each strip, cut diagonally directly to the box.
9. Attach the band and cut off excess on the sides.
10. Nest the 2 smallest Layering Square Framlits together on the scrap od Cajun Craze, pass it
