Measurements:

Base: Whisper White 8 1/2" X 3 1/2", Score at 2", rotate and score at 2 1/2" (The 2" flap is the top and the 2 1/2" the bottom).

DSP: 3 1/4" X 1 3/4" and 3 1/4" X 2 1/4".

Belly Band: 1" X 9"

Circle Punch 1 3/4" (Pool Party) and 2" (Basic Gray)

Directions:

1. Fold score lines, use envelope punch board to round corners of base and DSP. * If you have a one-way pattern of DSP, be sure you round the correct corners*.
2. Adhere the DSP. On the inside, adhere the 2 sides of the bottom flap using a strong adhesive. Place gift card inside and close.
3. Wrap belly band strip around the outside with the seam in front, so that it fits snugly, but can still slide off and on easily. Place adhesive on each end and adhere the two ends of the strip together.
4. Place strong adhesive on top of seam on the belly band and adhere the foil snowflake, layer adhesive on top of snowflake and add 2" Pool Party Circle.
5. On a scrap of basic gray, rub embossing buddy over the area to be embossed. Stamp image

with VersaMark ink, add embossing powder, flicking off excess. Use heat tool to emboss image until the powder melts and the image is shiny. Punch out with 1 3/4" circle punch. Place Dimensionals on top of pool Party circle and adhere this circle on top of them.

6. Remove Belly Band and open card. Stamp Greeting at the top of the inside flap. For mine, I only wanted part of the greeting stamped, so I used the Basic Gray Stamp in Write marker to ink the areas I wanted to stamp (Pick and Omit technique).
7. Slide belly band back on, and place a small Clear Faceted Gem in the center of the snowflake....and Ta Da! You've got a pretty, easy gift card holder!
