Measurements:

Thick Whisper White CS 11" X 4 1/4", scored at 5 1/2" (same measurement for both cards, only one is landscape and the other portrait).

Hello Card: Blushing Bride 4" X 5 1/4". Thanks Card: Rich Razzleberry 4" X 5 1/4". (8 1/8" X 8 1/8" for envelopes...see envelope punch board for A2 size).

Basic Black: 3 3/4" X 5".

Directions:

1. Place Black Card stock in Stamparatus, line up stamp. Ink with Black StazOn ink (do this 2 Xs to ensure crisp image)
2. PLEASE NOTE: WATERCOLOR PENCILS DO NOT WORK FOR THIS TECHNIQUE. (they do not contain enough pigment to be opaque because they are designed to be diluted with water).
3. Using and type of wax-based colored pencil (make sure you have a white one as well)...outline images with white pencil. Use the stamp or image on the front of the stamp case for reference. You can also Google pictures online for whatever type of flower you are coloring. This is a great resource!
4. Color as desired. A manual pencil sharpener is better for the life of your pencils as opposed to an electric one, but use whatever you have. A couple of extra items that are handy, but not necessary, are a white eraser and blending stumps. These items are linked in the Youtube description box. Please note, these are not affiliate links, I just provide them for your convenience.
