heat emboss with white embossing powder.

4. Add 2 small dots of glue to the top of the insert piece and close to create the pouch. Let dry for a few minutes. Slide gift card into pocket to make sure it fits. Flip the top flap down. 5. Place 2 glue dots on the corners of the of the small flap that folds up on the card base and slide insert piece into that pocket. \*\*Note: you may want to make sure that your insert slide freely into the pocket before adhering it to the base.
6. Wrap ribbon or Washi Tape around the outside of the bottom flap to secure it's closure.
7. Stamp outside greeting from Merry Little Labels in Cherry Cobbler onto a scrap piece of Whisper White. Die cut with Stitched Shape Framelits, and die cut the next largest Oval from a scrap piece of Cherry Cobbler. Adhere the 2 together, and place in the center of the top flap on Dimensionals. Add Rhinestones or other embellishments.
