Cut paper to the following dimensions:

- **Thick Basic White Cardstock:** 4 1/4" x 11", score at 5 1/2" on the long side
- **Sweet Sorbet Cardstock:** 4 1/8" x 4 1/4"
- **Bee Mine Designer Series Paper:** 4" x 4"

Fold the Thick Basic White Cardstock at the score mark and make a nice crease with a bone folder. Then, using a pencil make two small marks along the sides of the card. On the left side, mark at 4 1/2" down the side (or 1" up from the bottom). On the right side, mark at 2 1/2" down the side (or 3" up from the bottom). Using the trimmer, lay the two marks along the blade path to cut the front piece of the card.

Next, mark the Sweet Sorbet cardstock piece at 2 3/8" down the right side. Using the trimmer, cut from the bottom left corner to the mark on the right side. Then, mark the Bee Mine DSP at 2 1/4" down the side. Again, using the trimmer, cut from the bottom left corner to the mark on the right side.

Now, line up the two papers and the card front to make sure they all align. You might need to make small adjustments, depending on how accurate you were with the marks and the cuts. Use a ruler to help you find the right spot to mark. When they all line up nicely, glue the DSP to the Sweet Sorbet and then to the card front.

Next, punch out a 2" circle of Sweet Sorbet cardstock and a 1 3/4" circle in Basic White cardstock. Glue the white piece on top of the Sweet Sorbet piece, aligned so the edges meet on one side.

Then, stamp the bee body from the Bee Mine Stamp Set in Daffodil Delight on a piece of Basic White cardstock. Stamp the stripes and a cute face on top of it using Tuxedo Black. Punch this piece out using the Bee Mine Punch.

Next, stamp the big heart in Pool Party on a piece of Basic White cardstock. Stamp the lines of the

wings on top of it using Tuxedo Black. Punch this out using the Bee Mine Punch. Then, stamp the antennae in Tuxedo Black on a piece of Basic White cardstock. Punch this out using the smallest heart in the Bee Mine Punch.

Next, assemble the bee using small dots of glue. Then, use dimensionals to attach it to the circle piece.

Then, stamp the sentiment on the bottom right corner of the card using Sweet Sorbet. This will let you align the bee piece. Once you have a nice spot for it, glue it onto the front of the card, taking care to make sure you only put glue on the part touching the top of the card.

Finally, if you would like, stamp the dotted line on the top of the inside of the card using Tuxedo Black.
