1. This bonnet is created using the Deckled Circles Dies. The 2nd largest of the dies is used to cut Lemon Lolly card stock. Find the fiber breakdown in the paper, gently fold until you find an easy spot, and fold in half.
2. The crown of the bonnet is cut using the 9th largest Deckled Circle. After cutting, cut this in half and save one for another hat.
3. The DSP for the brim of the hat is from the Lighter Than Air Designer Series Paper. This piece is cut using the 3rd largest of the Die and is also cut in half after die cutting.
4. Once the pieces are cut, add Tear & Tape to the flat edge of the "Back" of the crown. Get as close to the edge as possible. Place the sticky edge on the front of the straight section of the hat. Center it as best you can.
5. Next add the DSP flush with the top edge of the hat and it will cover the bottom edge of the crown where it was added.
6. On scrap White card stock, stamp the three flowers from the Petal Park stamp set. The outline stamp is Gorgeous Grape with the filler stamp using Highland Heather. Then stamp three leaves using Garden Green as the outline and Old Olive as the filler. Use the Petal Punch to cut all of these.
7. Layer the flowers and leaves as shown. With a double loop of the yellow ribbon from the Sheer Ribbon Combo tie a knot. Trim the ends and separate a little. The double layer gives more needed thickness here.
8. For the inside layer of the card, use the same Deckled Circle Die as the DSP, the 3rd largest, and cut a piece of Basic White card stock. Cut in half, as half is all needed. Place this inside the open card. Place it about 1/8" from the fold so the card will close easily.
9. The finishing touch is a few Rainbow Dots on the flower centers.
