Bluelinestamping.com

1. The Highland Heather card base is cut $5 \frac{1}{2} \times 7 \frac{1}{2}$ and scored at $3 \frac{1}{4}$ on the $7 \frac{1}{2}$ side
2. The Mint Macaron layer is cut $3 \times 5 \frac{1}{4}$
3. The Hand Penned DSP layer is cut $2 \frac{3}{4} \times 5$
4. Adhere the layers and adhere to the front of the card
5. For the flap, a piece of Highland Heather is cut to $2 \frac{3}{4} \times 3 \frac{1}{2}$, score at $\frac{1}{2}$ on the $3 \frac{1}{2}$ side, fold and burnish the score.
6. The striped DSP is cut $1 \times 2 \frac{1}{2}$ and adhered with equal edging adjacent to the score line.
7. The inside layer is Basic White and cut $4 \times 5 \frac{1}{4}$. Stamp your choice of greeting on the inside.
8. Add the Highland Heather flap to the Basic White piece by adhering the $\frac{1}{2}$ scored piece to the back of the White. Center it on the edge of the White piece.
9. The focal layer Highland Heather is cut $3 \times 3 \frac{1}{4}$
10. The Basic White stamped layer is cut $2 \frac{3}{4} \times 3$ and stamped using Memento Tuxedo Black Ink.
11. The flowers are stamped with the fill stamps in Daffodil Delight and Flirty Flamingo
12. Since the leaves do not have a fill stamp, I mimicked the "not quite perfect" look of the fill stamps by squiggling the Light Mint Macaron Stampin' Blend to fill them.
13. Add the Brushed Brass Butterfly and tie the Simply Elegant Trim around the layer.
14. Adhere the stamped layer to the Highland Heather layer and place Stampin' Dimensionals on the back from the center to the right side. Part of that layer doesn't touch the flap part. You can see what I mean in the second picture.
