1. This card is a Fun Fold from Connie Stewart. It takes more than a 1/2 sheet of cardstock. Begin with a quarter sheet of Night of Navy cardstock as the base.
2. Cut a piece of Early Espresso cardstock to 11 X 5 1/4. Score on the long side at 1 3/4 and 3 1/2, rotate 180degrees and repeat the scores on that end. Fold and burnish.
3. You will need 3 pieces of Early Espresso cut to 3 3/4 X 1 5/8 (you can get two from the remains of the original Early Espresso piece, but need 1 more)
4. The DSP I used is from the Storybook Gnomes Designer Series paper. If a directional paper, cut a piece that is in portrait orientation to 3 3/4 X 4 7/8. Then turn and cut it into three strips of 3 3/4 X 1 5/8. Keep the piece in the order cut for a continuous matching print.
5. It was easier for me, with the dark color base, to adhere the DSP prior to attaching the strips. Begin with the top piece of DSP and a strip. Place the DSP flush at the bottom of the strip and with equal distance between sides and top. For the middle DSP strip, center it on the that strip. And for the bottom strip, adhere the top flush with the top edge of the strip and equal distance on sides and bottom. This makes sense as you adhere the strips!
6. Now apply the strips to the folded Early Espresso. With the card folded, add adhesive to the top left the height of the strip. Apply the top strip flush with left side and top of the base. Repeat this with the bottom section to the bottom left of the folded card and flush there as well. Now add the center strip by attaching it between the other two and adhering it to the Right side of the folded base.
7. A bare tree from that set is stamped on the inside White panel measuring 3 3/4 X 5
8. The stamped sentiment is from the Beauty of Friendship stamp set. And the two animals are from the Peaceful Deer stamp set. Both are colored using Crumb Cake Stampin Blends.
9. The White layer is 2 3/4 X 2 and the Night of Navy layer is cut 3 X 2 1/4. Adhere these together and then adhered the center of the panel only to the right side strip.
