1. This card is a wonderful use for Stampin' Up! Designer Series Paper with complimentary reverse sides.
2. The card base is Summer Splash and measures 4 1/4 X 5 1/2, with a layer of Basic White measuring 4 X 5 1/4.
3. The DSP is from the Unbounded Beauty Designer Series paper and measures 6 X 5. Decide on the inside vs flap colors. Place the paper with the flap side up and score at 2 1/4 on the 6" length. Fold the DSP as shown.
4. Adhere the White and DSP to the card base.
5. The small card is Basic White that measures 4 X 5 1/2, scored and folded at 2 3/4. It adheres to the **open** DSP and is centered on all sides. (the right side is centered using the DSP score line as shown in the right side photo.
6. The front of the small card layers are DSP cut to 2 1/4 X 3 1/2 and White that is 2 X 3 1/4. If you were using a layer for inside stamping it would be the same as the White.
7. I stamped the front flower that is from Flowers of Beauty Bundle. The vine is Summer Splash Ink. And the flowers are Petunia Pop.
8. Also there are flowers that are Die cut using the Flowers of Beauty matching Dies. They are Petunia Pop and are added using Glue Dots.
9. For the inside flower, I stamped off and then stamped the same vine as the front.
10. Both inside and front sentiments are from the Unbounded Love stamp set.
11. The finish is adding 2024-2026 Resin Dots in Pretty In Pink to the center of the trio of Die cut flowers.
