Bluelinestamping.com

1. This Double Z Fold card stars the Translucent Florals Bundle, along with the Sentimental Park stamp set and Fresh As A Daisy DSP.
2. The card base is Pretty Peacock card stock that is cut $5\frac{1}{2} \times 8\frac{1}{2}$ and scored at $2\frac{1}{8}$ and $4\frac{1}{4}$. Fold and burnish as shown.
3. The second part of the Double Z is made with Pretty Peacock card stock and is $2\frac{3}{4} \times 8\frac{1}{2}$ with the same scoring and folding.
4. Before putting the parts together there are layers and stamping.
5. First is the card base panels. The left front panel of Basic White is $1\frac{7}{8} \times 5\frac{1}{4}$ with the DSP $1\frac{3}{4} \times 5\frac{1}{8}$. The large White inside panel is $4 \times 5\frac{1}{4}$. (stamp the smaller flower from the Translucent Florals stamp set as shown on the upper left of the large White panel. Adhere these to the card base. **An alternative is to use a piece of DSP in place of the White back panel.
6. The smaller Z layer folds opposite of the card base with the larger section in the front. The White layer for this is $4 \times 2\frac{5}{8}$. The two smaller sections of White are both $2 \times 2\frac{5}{8}$. There is no stamping on the front layer and nothing on the middle panel. The last section has the sentiment, from Sentimental Park stamp set, and a corner of the leaves from Translucent Florals stamp set.
7. To adhere the Z folds together, fold up the card base and the top Z fold. Dry fit the smaller on top of the card base. It should touch the left and right edges of the card base. Once you have the location and fit, add adhesive to only one underside of the smaller Z piece and adhere, then add adhesive to the other.
8. The flowers and leaves on the front section are all from the Translucent Florals stamp set and are cut using the matching Die set. The leaves are stamped with Pretty Peacock Ink and the flowers with Calypso Coral Ink.
9. The leaves are adhered first with some leaves hanging over the edges. The flowers are added with the smaller one glued and the larger one added with Dimensionals.
10. The sentiment is from the Sentimental Park stamp set. It is stamped on a $2\frac{5}{8} \times 5\frac{1}{8}$ piece of Basic White using Memento Tuxedo Black Ink. There are a scattering of Iridescent Pearls that have been colored using the Dark Calypso Coral Stampin' Blend.
