1. The card base for this card is Old Olive that measures $5 \frac{1}{2} \times 8 \frac{1}{2}$ and is scored at $2 \frac{1}{8}$ and $4 \frac{1}{4}$.
2. The Basic White front layers are 2 @ $1 \frac{7}{8} \times 5 \frac{1}{4}$. The inside Basic White is $4 \times 5 \frac{1}{4}$.
3. The Autumn Expressions Designer Series Paper is a 6X6 that is cut to $6 \times 5 \frac{1}{8}$. Keeping the cuts in order to keep the scene intact, cut 2 @ $1 \frac{3}{4} \times 5 \frac{1}{8}$ and one at $1 \times 5 \frac{1}{8}$. there is a small section left for later use.
4. Adhere the White and DSP layers together. DO NOT ADD the two front sections yet.
5. The front sentiment is from the Autumn Expressions stamp set as is the inside sentiment. The shape of the front is from the two largest of the Nested Essentials rounded rectangle dies. These are Fresh Freesia and Basic White.
6. Cut a square of Fresh Freesia that measures 2×2 . Score it at 1" in one direction and then cut it at 1" in the other direction. This gives you two folded pieces. These are the mechanisms to make the sentiment display properly.
7. Add one of these mechanisms to the back of the left side DSP layer. It goes on the right center and is adhered so one part is adhered to the back and the other is sticking up. Align the second DSP layer and do the same with the second folded strip but this time it is on the left side of the layer. The two strips are adjacent when the layers are added to the card. Add these layers to the card now.
8. Add adhesive to the two mechanisms sticking up as they are folded over the DSP layers, and lay the sentiment layer centered on top of them. Liquid Glue gives you a little wiggle room.
9. Now add the Basic White to the inside of the card. And add the 1" DSP strip to the right side using Stampin' Dimensionals. This is the stop for the Easel. Stamp the sentiment after the DSP is in place to ensure it is centered on the White section left showing.
10. A gem from the 2024-2026 In Color Shimmer Gems is added to the front sentiment for bling.
