1. This unique addition to a landscape card is a case for Laura Seki of Southridge Studio.
2. The card base is **Fresh Freesia cardstock** measuring 5 1/2 X 8 1/2 and scored at 4 1/4. From the score line cut down one side at 1 1/4 & 1 1/2.
3. With the card folded except for the two cut strips, emboss those strips using the **Eyelet 3D Embossing Folder**. (If you place the card with the folded edge at the bottom of the embossing folder and only the strips inside the folder, it works perfectly)
4. After embossing the strips glue the thin strip down to the inside of the card.
5. The front DSP is from the **Lovely & Beautiful Designer Series Paper**. It measures 3 3/4 X 4. The inside left strip of DSP is the reverse side of the front piece. It measures 1 X 4.
6. To hold the left strip and front panel together when opening, I used **Gold Foil** to die cut a leaf from the **Delicate Whispers Bundle**. It is adhered to both the left strip and the front. The green leaf is **Old Olive cardstock** using a different die from the same Die set.
7. The sentiment is from the bundle also. It is stamped using **Memento Tuxedo Black Ink** and punched using the **Three Banner Punch**. It is adhered to the front, also to each side, using Stampin' Dimensionals.
8. The inside **Basic White** layer measures 3 3/4 X 4. There is no sentiment but I did stamp a floral from the stamp set in **Old Olive ink**. The image is colored with **Old Olive Stampin' Blend** and **Fresh Freesia Stampin' Blend**.
9. The bling is **Iridescent Foil Gems** to compliment the gorgeous gold foil in the DSP.
