1. This card stars the Trucking Along Bundle. It is a Punch Bundle that is an Online Exclusive. There is also the Banners Pick A Punch, Inked Botanicals DSP and the Online Exclusive 3 pack of Embossing Folders. This one is the Crosshatch.
2. The card base is Lost Lagoon card stock cut 5 1/2 X 8 1/2 folded at 4 1/4. It is positioned in Landscape mode.
3. The Basic White layer is cut 4 X 5 1/4 and embossed using the Crosshatch Embossing Folder.
4. The DSP piece is a square of 2 7/8 X 2 7/8 that is then cut on the diagonal. Each section is then adhered to each end of the White layer.
5. The truck is stamped on a scrap of White using Memento Tuxedo black Ink. It is colored with Lost Lagoon Stampin' Blends for the body and Black and Smoky Slates for the tires, wheels and bumpers. The side window is colored using Light Pool Party Stampin' Blend.
6. The truck is punched using the matching Truck Builder Punch.
7. The flowers in the bed are stamped and colored using Daffodil Delight and Old Olive Stampin' Blends. The flowers must be cut out, but are easy to do. TIP: cut around the top and sides of the flower bunch, but leave a bottom section of white. This makes placing the bunch in the bed of the truck as easy as a glue dot on that extra bit of white left.
8. The sentiment and truck shadow are stamped using Memento Tuxedo Black Ink on a strip of Daffodil Delight that is 4 1/4 X 3/4. Stamp the sentiment centered along the bottom of the piece and the shadow lines just above that. Punch each end using the Banners Pick A Punch.
9. Center the banner with the top edge along the points of the two DSP pieces. Add the truck with Dimensionals.
10. To finish scatter a few of the Glossy Dots in Gold and Green around the white area.
