Bluelinestamping.com

1. This card is made using products from the Desert Details Bundle and Delicate Desert Designer Series Paper.
2. The base of this Double Z Fold card is Calypso Coral card stock. It is cut to $4 \frac{1}{4} \times 11$ and scored at $2 \frac{3}{4}$ and $5 \frac{1}{2}$. Fold and burnish the score lines to create a Z fold.
3. The smaller Z fold is made with Cajun Craze card stock. It measures $3 \frac{1}{2} \times 10$ and is scored at $2 \frac{1}{2}$ and 5. Fold and burnish the same way.
4. The DSP for the base card is from the Delicate Desert Designer Series Paper. The left panel of faded green is cut to $2 \frac{1}{2} \times 4$. And the larger inside green panel is $5 \frac{1}{4} \times 4$.
5. The DSP for the front layer is also from the same DSP. It is cut to using the die from the Desert Details Bundle.
6. Adhere the two DSP pieces to the Calypso Coral card base. The small Z should be on the front left. Flip the Cajun Craze Z fold opposite of the first. The large section should be on

the left. To adhere, Fold the small Z and place it on top of the base card that is also folded up. The small fold of the small Z is underneath and should butt up against the small fold of the large z. This should help in aligning the two pieces. Add adhesive to the left half of the small Z front. And then add adhesive to the small folded section of the small Z.

7. The inside White layers, one for the sentiment , from the set, and one for a hand written message are both 2 1/4 X 3 1/4.
8. The front flowers are both stamped using Calypso Coral Ink and Die cut. The two greenery pieces are cut from a die using both Soft Succulent and Evening Evergreen.
9. The front sentiment Die cut piece is a piece of the same DSP as the front layer, the reverse side. The Hello is stamped using Evening Evergreen Ink, and is from the Happy Labels stamp set.
10. Some Linen Thread was looped a few times and placed behind the front sentiment. The sentiment is adhered with Dimensionals.
11. The bling is from the Gold Faceted Sequins.
