1. This card is a case from Karen Titus.
2. The card base is 4 1/4 X 5 1/2 in Blueberry Bushel. The smaller Blueberry Bushel is 3 1/2 X 4 1/2.
3. The large DSP and strip are from the Flight & Airy Designer series Paper. They measure 4 X 5 1/4 and 3 X 3/4.
4. The small "card" is Basic White that measures 6 1/2 X 4 1/4 and is folded at 3 1/4.
5. The stamped sentiments are from the Sentimental Park stamp set. As is the inside soft floral around the sentiment.
6. The cup is from the Everyday Details stamp set. It and the Bubble Bath layers are cut using the Deckled Circles Dies. I used the 5th and 5th size up from smallest.
7. The bookmark is made using a 5 X 5 piece of Glorious Gingham Designer Series Paper.
8. Begin the bookmark by folding the paper in half from one direction and then again from the opposite direction. Now cut out one of the squares you have made with folds. Cut away the fold lines, but just barely.
9. Next choose which side of the paper you want to show from behind the front layers and

which to show from the inside of the card. Lay this side face down, fold up the outside corner of the center square to just short of flush with the score lines of the adjoining squares.

10. Pick this up and fold the other two squares underneath it. Once they are evenly squared up, add adhesive between those two squares to secure them. And then add adhesive to the folded back section to secure it.
11. Color the cup and flowers using Stampin' Blends. They are listed in the Supply List. And adhere the two circles together.
12. By looking at the far right photo, you can see that the Bubble Bath circle is almost to the edges of the square bookmark. You only want to add adhesive to the center part of folded back triangle. Center the circle layers on the bookmark.
