1. The accordion fold is created by cutting a piece of Parakeet Party card stock to 5 1/2 X 11, and scoring at 4, 5 3/4, 7 1/2, and 9 1/4. Fold and burnish as shown.
2. The inside back DSP is cut to 3 3/4 X 5 1/4
3. The accordion fold DSP pieces are 4 and measure 1 1/2 X 5 1/4. You can cut one piece to 6 X 5 1/4 and then cut into the 1 1/2 strips which allows the pattern to flow.
4. The folded center piece of Parakeet Party is 3 X 6. You can utilize the 3 X 11 piece left from the card base. Score and fold at 3.
5. Three White layers are needed. Two for the center fold and one for the inside back. Each is 2 3/4 X 2 3/4. The center one, not shown, is for any comments or could have an additional image.
6. For adhering the center folded piece, open it and place the front centered on the card. Fold the back over onto the front. Now you can see the entire area. Add adhesive only to the left portion where it touches the folds. After adhering, fold the flap back behind. It adheres to the last of the accordion piece. The easiest method is to turn the card face down. Open the back flap and you now are face down with only the front folds of the card. Add adhesive to the inside of the 3 x 6 back section and adhere.
7. To add the inside sentiment so it is hidden when the card is closed, add adhesive to the back of it. Then open the card with the folds all folded away from the back of the card. Place the sentiment layer with adhesive up on the inside accordion white. Hold it in place and carefully close the back over top.
8. The stamp set is the Best Day stamp set. With the DSP being the Flowers & More Designer Series paper.
