1. This card features the Earthen Textures Bundle, the Earthen Elegance DSP and the Darling Details sentiment.
2. The card base is Mossy Meadow that is cut 5 1/2 X 8 1/2 and scored at 4 1/4.
3. The Basic White layer is cut 4 X 5 1/4. Stamp the sentiment using Mossy Meadow Ink in the bottom right corner as shown. Adhere to the card base.
4. The Copper Clay layer is cut 2 1/8 X 4 7/8 and the DSP layer is cut 2 X 4 3/4. Adhere the two together and then to the left side of the White layer with equal spacing on the left, top and bottom.
5. The vase and foliage are all from the Earthen Textures Dies. The vase is cut from a piece of Misty Moonlight card stock as well as the DSP. They are adhered with only a "shadow" of the Misty Moonlight showing.
6. The fronds are Die cut from the same dies and done in Mossy Meadow and Misty Moonlight for the smaller as Copper Clay for the larger one.
7. Dry fit the fronds as shown and then adhere them leaving the upper sections loose. Add the vase with Dimensionals.
8. Finish the card with a trio of the 2023-2025 In Color Dots in the upper right corner.
