1. The corner angle on this card is created by beginning with a piece of Pale Papaya that is $5\frac{1}{2} \times 8\frac{1}{2}$. Score and burnish at $4\frac{1}{2}$. With a ruler and pencil, make a tic mark from the right top front corner going toward the fold to $3\frac{3}{4}$, and then from the right top corner down the right edge to $3\frac{3}{4}$. Place the paper on your trimmer and cut away the triangle created by these tic marks.
2. Place a piece of Basic White card stock cut to $4 \times 5\frac{1}{4}$ on the inside of the card.
3. Cut a piece of DSP to $3\frac{3}{4} \times 3\frac{3}{4}$. Preferable a non directional pattern is best. Place the DSP piece on the trimmer in a diamond layout and cut from corner to corner creating two equal triangles.
4. Adhere the top section of the triangle in the top right of the White piece, totally covering that section of the white.
5. Adhere the bottom half of the triangle to the front bottom of the card as shown in the picture. Leave the same spacing as the inside layer is.
6. For the front images, cut a piece of Sweet Sorbet card stock to $3\frac{1}{4} \times 3\frac{1}{4}$ and another at $3 \times 3\frac{3}{4}$. Cut White pieces to 3×3 and $2\frac{7}{8} \times 5\frac{5}{8}$.
7. Stamp and color the front images and stamp the inside sentiments.
