1. Cut Poppy Parade card stock to 4 1/4 X 8 1/2, score and fold at 4 1/4.
2. Open the card and place on Paper Trimmer with the front flap's top right corner on the cutting groove. Hold that position and move the bottom of the card around so that the bottom of the folded line is also in the cutting groove. Cut from the bottom score line up to the top right corner. Save the cut away triangle.
3. Cut Trusty Toolbox DSP to 4 X 4
4. Close the card. Adhere the DSP to that still attached triangle. Carefully apply adhesive so that is the only place the adhesive goes.
5. With the card closed, lay the cut away triangle back on top of the card. See the left photo for placement. It should line up with the bottom and right sides with the card closed.
6. Add adhesive to the underside of the triangle, staying away from edges, and adhere to the bottom of the DSP.
7. The front details are a Crushed Curry 2 3/8" circle with a Decorative Circle Basic White adhered to it.
8. Stamp the sentiment from the Trusty Tools Bundle in the upper section of the Decorative Circle using Memento Tuxedo Black Ink. Adhere these pieces to the front of the card.
9. Cut a strip of the "ruler" Trusty Toolbox DSP to 3/4 X 3 and adhere to the lower section of the circle layers. Cut out a tool from one of the other DSP sheets and adhere over the ruler as shown.
10. Cut a piece of Basic White measuring 4 X 4 for the inside of the card. Stamp the tape measure and screws using Gray Granite Ink. Color the tape measure using Stampin' Blends. Adhere to the inside of the card.
