...the only limitation is your imagination

There is a complete supply list at the end of this Tutorial.

Make Your Cuts:

- The cardstock card base is 4 1/4" x 11", scored at 5 1/2".
- The heart patterned paper layer is 4" x 5 1/4".
- The heart die cuts are from the Adoring Hearts Dies.
- The envelope layer is a 4" square.
- The inside writing layer is 4" x 5 1/4".
- The sentiment strip is 1/2" wide. I stamped the sentiment, then cut it to the length I wanted.

Assemble the Envelope:

- Using your scoring tool, score from point to point, then repeat the process. The score lines will intersect in the center of the square. This will help you line up the side and bottom folds of the envelope. See below.

- With a corner round punch, punch the bottom and top corners of the scored square.
- Burnish the score lines.
- Fold the side flaps in toward the center mark, just slightly over the mark.
- Fold the bottom flap up to just a little beyond the center mark.
- Add glue to the bottom portion of each side of the envelope. See above. Try to stay as close to the edge as possible. This avoids glue seepage when you fold up the bottom envelope flap.
- The envelope is complete.
