Assemble:

- Adhere the patterned paper layers to the large Basic White layers.
- Adhere one of the patterned paper and Basic White layers to the inside of the card base.
- Assemble the birdhouse using the dies cuts from the Country Birdhouse Dies.
- Use the die in the Country Birdhouse Dies to cut the hole in the birdhouse.
- Attach the small DSP or cardstock square to the back of the Birdhouse "front door" with Dimensionals.
- Attach the small circle die under the hole. This is the birds perch.
- Attach the bird and flower elements to the front of the birdhouse as shown.
- Adhere the front layered panel to the front of the card base, **only adding glue to the bottom scored portion of the card front.**
- **This will create the easel.**
- Attach the easel stop to the inside of the card base with Dimensionals as shown.
- Adhere the stamped writing layer to the inside top panel of the card as shown.

NOTE: I used a sponge dauber and Misty Moonlight ink to add ink to the sides of the birdhouse, and the roof trim.
