**Supplies:** A complete supply list is at the end of this Tutorial.

**Parts & Pieces:**

**Layer Cutting Dimensions:**

- The Mossy Meadow cardstock card base is 11" x 4 1/4", scored at 5 1/2" on the 11" side.
- There are two Very Vanilla cardstock mat layers. One is 5 3/8" x 4 1/8", and the smaller Very Vanilla layer is 3 3/8" x 4 5/8".

- Cut the patterned paper layer 4" x 5 1/4".
- The embossed Wild Wheat cardstock layer is 3 1/4" x 4 1/2". I used the Distressed Tile Embossing Folder to emboss this layer.
- Cut a small Very Vanilla cardstock layer 2 1/4" x 1 1/2". This is for the sentiment.
- Cut a Very Vanilla cardstock layer 3 3/4" x 5" for the inside of the card.

## Stamp and Die Cut:

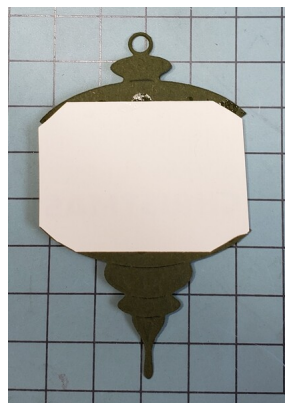

- Stamp the sentiment **onto the center of the small Very Vanilla layer**. Be sure to leave enough space above and below the sentiment for the scallops in the die cut ornament.
- Die cut the ornament using Mossy Meadow cardstock.

## Assemble the Card:

- Attach all of the cut layers to the card front as shown.

- Separate the die cut ornament top and bottom by trimming off the sides.
- Attach the top and bottom of the ornament to the top and bottom of the sentiment layer.
- Because the corners are square on the sentiment layer, and the corners are rounded on the ornament, you will have to snip off the corners of the sentiment layer from the back. See the photo below.

- Attach the ornament to the center of the card front using Dimensionals.
- Tie a small bow and attach it to the top of the ornament with a glue dot.
- Add a Festive Gold Pearl to the bottom of the ornament.

- Stamp the inside of the card and attach a 1/4" strip of Wild Wheat cardstock or patterned paper to the inside.

All done!
