...the only limitation is your imagination

Supply List: There is a supply list at the end of this Tutorial. This card features the Regal Winter Suite which will be available on September 4th.

Cutting Dimensions:

1. The Thick Basic White cardstock card base is 11" x 4 1/4". It's scored at 5 1/2".
2. The Basic White cardstock card front layer is 3 3/4" x 5".
3. The label Focal Point layer is die cut from the Regal Flora Dies. It measures about 1 3/4" x 3 3/4".

Stamping and Die Cutting:

1. I stamped the flower with Berry Burst ink, and the leaf image with Pretty Peacock ink.
2. Both the flower and leaf images are die cut using the coordinating Regal Winter Bundle Dies.
3. The background dotted image is stamped with Basic Beige ink.
4. The label top Focal Point layer is die cut using the label die from the Regal Winter Dies.

Assembly:

1. Stamp the dotted background image twice onto the label layer as shown below.
2. Attach the flower and leaf images as shown using Dimensionals.
3. Attach your embellishment as shown. I used the Regal Foiled Adhesive Backed Dots from the Product Suite.

1. Attach the ribbon to the 3 3/4" x 5" cardstock layer. You will need about 9" of ribbon. The Blackberry Bliss and Gold 1/2" Textured Ribbon is in the Regal Winter Suite.
2. Add adhesive to the front center of the layer as shown below. I used a tape runner. I folded the ribbon into thirds and attached it directly to the adhesive from the tape runner. You will be able to gently lift the ribbon to position it the way you want it to lay.
3. Attach Dimensionals to the layer as shown below. I attached them to the top and bottom of the ribbon to help hold the ribbon.

1. Place the focal point flower layer on the center of this layer on top of the Dimensionals.
2. Attach this completed layer to the center of the card front.
