...the only limitation is your imagination

Supplies Used: There is a complete supply list at the end of this tutorial.

Card Base And Layer Cuts:

- Card base layer is 4" x 11", scored at 2 3/4" and 5 1/2". I used Night of Navy cardstock for this card.
- Cut two Basic White mat layers 3 7/8" x 5 3/8". One is for the inside large layer and one is for the top large layer that will be attached to the front of the card base.
- Cut a smaller Basic White layer 3 7/8" x 2 5/8". This is the writing layer inside the card.
- Cut two coordinating patterned paper layers at 3 3/4" x 5 1/4". One is for the front of the card and the other is for the inside.

Die Cuts:

- Cut three Basic White oval frames as shown.
- Glue the three frames together to form a thicker frame.
- The oval cut from the inside of the frame will be your sentiment layer. See photo.
- The full oval sentiment layer will sit inside the large thicker frame you created.
- Die cut one large leaf spray using Night of Navy cardstock.
- Die cut two smaller leaves using Evening Evergreen cardstock.
- Using the coordinating dies, die cut a small flower from the Fitting Florets DSP.
- I fussy cut a larger flower.

Stamp and Assemble:

- Stamp the sentiment in the center of the oval.
- Stamp the small flower from the stamp set on the left corner of the writing layer. See the photo above.
- Stamp the "easel stop" sentiment.
- I die cut three smaller sentiment frames (from the Beautiful Shapes Dies) and glued them together.
- I attached the "easel stop" to the card base with Dimensionals, as well.

- Attach the patterned paper layers to the Basic White layers.
- Attach the card base layer first. (This is the layer that is under the "easel stop" sentiment. See photo above.
- Fold the card in half at the 5 1/2" score line, then fold the top 2 3/4" scored portion toward the center of the card. This will form your "easel"
- Fold the card in half again, add adhesive to the bottom portion of the 2 3/4" fold.
- Adhere the top card layer as shown. The top layer is only attached at the bottom of the cardstock card base front.
- Add the smaller Basic White layer to the top inside panel as shown. This is your writing layer.

- Add your embellishments.

- With my sponge dauber and Night of Navy ink, I inked the edges of the flowers.
