- The patterned paper layer is 5 1/4" x 3 3/4".

- The Basic White sentiment layer is die cut using a die from the Autumn Leaves Dies.

## Assembly:

- Attach the Moody Mauve cardstock strips to the top and bottom back of the patterned paper layer.
- Attach the completed layer to the center of the front of the card base.
- Attach the die cut circle to the center of the card front on top of the patterned paper layer as shown.
- Attach the Moody Mauve and Shaded Spruce pine and floral die cut to the right side of the circle as shown. **Tip: Add glue only to the center of the back of the die cut. This will give you room to tuck the other elements under the pine and floral die cut.**
- Tuck the Silver Metallic die cuts under the first die cut, as shown.
- Tuck the leaf die cut under the first die cut, as shown.
- Tuck the holly leaves under the die cut, as shown.
- Add dimensionals directly to the open spaces on the circle and attach the sentiment layer to the top of the die cut element cluster.
- Add an embellishment.

**NOTE:** Remember, you can arrange your die cut elements any way you choose. You can use my design as a simple guide. The only important thing to remember is to HAVE FUN ARRANGING!
