**Supplies Used:** There is a complete supply list at the end of this Tutorial.

- Basic White Thick cardstock, regular weight cardstock. The thick cardstock is for the card base.
- Inks: Calypso Coral, Petal Pink, Soft Sea Foam, Old Olive, Pool Party.
- Blending Brushes.
- Loveliest Layers Decorative Masks.
- Low tack tape, Stampin' Dimensionals and liquid Glue.

### Make Your Card:

- Cut a Thick Basic White cardstock base to a 7" square and score at 3 1/2".
- Have an additional piece of Basic White cardstock ready for the flower image.
- Attach the background basketweave stencil (from the Loveliest Layers Decorative Masks) to the center of the front of the card base. Use low tack tape to secure the card base to your inking surface, then secure the stencil with low tack tape to the center of the card base.
- Gently tap ink onto your Blending Brush and carefully move the ink over the stencil in a circular motion. (Some areas will be darker than others - this is good!).
- See the photo below.

- Secure the second cardstock layer to your surface, then secure the larger flower mask to the cardstock with low tack tape.
- Follow the same procedure as you did with the stencil. Tap ink onto your Blending Brush, transfer the ink using a gentle circular motion to the flower base. I used Petal Pink ink.
- See the photo below.

- Secure the second flower shading mask to the large flower you just inked.
- Follow the same procedure as above. Be sure your inked flower base and new flower mask are secured with low tack tape before you start blending the ink. I used Calypso Coral ink.
- See the image below.

- Follow the same procedures above for the leaves.
- Starting with Soft Sea Foam and the larger base mask, secure and ink your mask. See below.

- Follow the same procedure above using the leaves shading mask and Old Olive ink.

- Fussy cut the flower and leaves. This goes fast. They are easy images to fussy cut.

### Assemble the card front:

- Cut 7" of ribbon, fold in half, secure with Seal to slightly left of the center of the card.
- Attach the flower to the card base with Dimensionals as shown.

- Stamp the sentiment to a 1/2" x 3 1/2" piece of white cardstock. Angle the right end and attach it to the top of the ribbon as shown.
- Adhere your leaves with liquid glue. Tuck them under the flower petals.
- Add your embellishments.
- Stamp your sentiment to the inside of the card.
- Adhere a 1/2" x 6" strip of patterned paper to the bottom of the inside.
- Punch a little heart and attach.
- All done!

Pretty, isn't it?
