...the only limitation is your imagination

There is a complete Supply List at the end of this Tutorial.

Get Ready - Make Your Cust:

1. Cut a Basic Beige card base 4 1/4 x 11, scored at 5 1/2.
2. The patterned paper card front layer is 4 1/4 x 5 1/2.
3. Cut 4 patterned paper strips 1/2 x 4 1/4,
4. Cut 4 Cloud Cover cardstock strips 1/4 x 4 1/4.
5. **NOTE: I cut my strips longer, attached them to the card front and trimmed from the back.**
6. Strategically cut the focal point patterned paper layer 2 x 3 3/4. (I chose a section of the pattern I wanted to use, and cut the layer).
7. Cut a Cloud Cover cardstock mat layer 2 1/8 x 3 7/8.
8. Die cut or punch a Basic Beige cardstock circle for the sentiment. The diameter of the circle is about 1 3/4".

Assemble the card:

1. Attach the focal point layer to the Cloud Cover cardstock mat. Set aside.
2. Attach the strip patterned paper layers to the cardstock strip along the back of the bottom of the patterned paper strip. See photo below.
3. Attach the large patterned paper layer to the card front.
4. Attach the strips as shown. Start with the bottom strip. The bottom of the strip is about 1 1/2" from the bottom of the card front. See photo below. If you cut your strips longer, trim from the back after you attach them to the card front.
5. Attach the rectangle focal point layer to the card front with Dimensionals, as shown.
6. Attach the sentiment circle to the card front with a dimensional and glue. Attach the

Dimensional to the back of the right side of the circle. Place glue on the back of the left side. The sentiment layer will lie flat.

7. Embellish.

Thank you for stopping by today. I hope you enjoyed this Tutorial.

Debbie
