Pieces & Parts:

- Once your layer cuts are complete, this card is simple and fun to put together.
- I cut the Mossy Meadow card base 5 1/2" x 6 1/2" and scored it at 2 1/4" on the 6 1/2" side.
- Cut a second cardstock layer with Mossy Meadow cardstock for the front flap, that measures 4" x 3 1/2". This piece is scored at 1/2" on the longer 4" side.
- Cut a Basic White cardstock layer 4 1/8" x 5 3/8". This will be the inside card layer.
- Cut three layers from your second color cardstock. (I used Cherry Cobbler). Two layers are cut at 2 1/8" x 5 3/8". The third layer is a 3 3/8" square.
- These layers will be used on the front panels of the card and the left side of the inside.
- The square layer will be attached to the front flap Mossy Meadow front flap layer.
- Cut three patterned paper layers 2" x 5 1/4". These layers will be attached to the front right panel, the inside right panel and the inside left panel over the Cherry Cobbler inside layer.

- See photo below.

Assemble the card layers:

- Place the card base in front of you with the scored flap on the right.
- Take the small front flap layer and place it in front of you with the 1/2" score line on your left.
- Add glue to the 1/2" section.
- Attach the 1/2" section only to the center of the left side of the card base.
- Attach the Basic White layer to the center of the card base.
- Attach the three Cherry Cobbler layers as follows:
 - One layer to the left side of the card base on top of the Basic White layer.
 - One layer on the front flap right side panel.
 - The square Cherry Cobbler layer is for the front flap.
- Attach the patterned paper layers on top of the Cherry Cobbler layers.
- One patterned paper layer will be attached to the inside of the front long panel flap.
- See photo above.
- Stamp your inside sentiment on the remaining portion of the Basic White inside layer.

Stamp And Die Cut Your Elements:

- For this card, I stamped the banner image onto a Basic White scrap with Cherry Cobbler ink.
- Then, I stamped "Christmas Wishes" on the banner with Mossy Meadow ink.
- I die cut the banner with the coordinating die.
- I Stamped the inside of the card with Mossy Meadow ink.

Attach your front sentiment and arrange your die cuts as you wish.

To embellish the front panel, I used Pearls Basic Jewels and colored them with a Dark Cherry Cobbler Stampin' Blend.
