## Assembly:

- Adhere the two 1/2" cardstock strips to the top and bottom of the back of the patterned paper layer.
- Be sure to leave the same cardstock reveal on the front (about 1/8"). See below.

- Attach the patterned paper layer to the center of the cardbase front.
- Use a tape runner and add 3 1 1/2" lines of adhesive to the center of the patterned paper layer. (I detail this in the video tutorial).
- Weave your ribbon along the adhesive starting from the bottom left and ending at the top right. See below.

- Stamp the sentiment to the sentiment layer and attach it to the center of the patterned paper layer over the ribbon.
- I used Adhesive Sheets. See above photo). You can use Dimensionals or foam squares.
- Add any die cut decorative elements to the card front. I used the holly leaves for this card.
- If you're using a darker cardstock base, attach a writing layer to the inside. See below.
