...the only limitation is your imagination

Supplies used are listed on the last page of this tutorial.

Prepare your layers as follows:

1. Cut a single layer Night of Navy card base 4 1/4" X 5 1/2".
2. Cut a piece of Coastal Cabana card stock 4" X 10 1/2" for the gatefold layer.
3. Score the gatefold layer at 2 5/8" and 7 7/8". Fold each side in toward the center.
4. Cut a Whisper White sentiment layer at 3 7/8" X 5 1/8".

See Photo below illustrating your cut pieces except for the patterned paper flap.

## Patterned Paper Flap:

1. Cut a 6" X 6" piece of Playing With Patterns Designer Series Paper diagonally from corner to corner.

1. Score the longest edge of the triangle flap at 1/2". I used my paper trimmer to score.
2. Use your bone folder to crease the scored edge. See images below.

Attach the flap to the gatefold layer as follows:

1. Adhere the flap to the back of the center of the Coastal Cabana gatefold and let the flap fall to the center front of your gatefold. Make sure your front patterned paper flap point is centered at the meeting of the two side panels at the front of the gatefold before you adhere the flap to the gatefold.
2. Trim off the excess on each side. See images below.

## Finishing:

- Stamp three coffee cups from the Press On stamp set onto either patterned paper or card stock. I used pattern paper from the Playing With Patterns DSP stack.
- I used Soft Suede ink. You can use a color of your choice but make sure it's dark.
- Fussy cut the coffee cups and attach them to the front flap with dimensionals.
- Add a hand cropped sentiment banner to the bottom.
- Embellish with a few white dots from All The Trimmings Embellishments.

I hope this PDF helps show how easy this card is to create. Most of all, have fun with it.

Please contact me if you have any questions at all.

Debbie
