expressively deb...

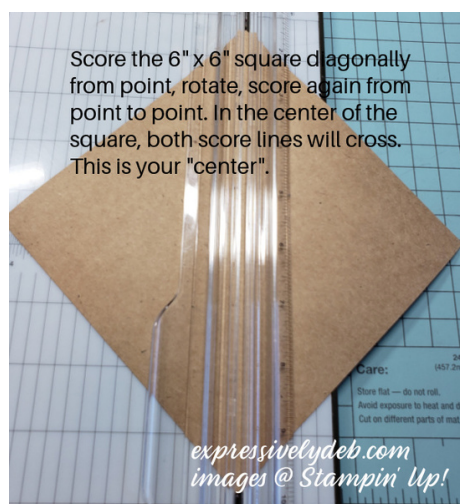

...the only limitation is your imagination

Supplies Needed: There is a complete Supply List at the end of this Tutorial

Assemble the Envelope

- You will need a 6" x 6" piece of cardstock. I used the Kraft cardstock.
- For the smaller version shown in my Video Tutorial, I used a 5" square.
- With your scoring tool, score from corner to corner on the diagonal to create an "x".

- Fold up one corner to about 1/8" past the "center" of your square. Score.
- Fold both side corners to about 1/8" past the "center". Score.
- Use a corner round punch to punch the point of the bottom and top flaps.

- Add a thin line of glue to the bottom of each side flap. Then fold the bottom flap up to create the envelope.
- See photo below.

- The envelope is complete.
- Punch a 1/4" hole in the top of the envelope corner. This is for the twine or ribbon to create the ornament hanger.
- Adhere large element die cuts to the top inside flap of the envelope as desired.

- Add some tissue paper or shredded paper to the inside bottom of the envelope. This will help the gift card holder stay in place.
- Add your sentiment to the bottom front of the envelope.
- Cut about 10" of twine or narrow ribbon, fold it in half and insert it through the front of the 1/4" punched hole at the top of your "ornament".
- I used thick twine and glued the ends together.
