Supplies: A detailed supply list is at the end of this tutorial. You will need cardstock, patterned paper, a 3" circle die or punch, elements, a sentiment stamp, Baker's Twine, Liquid Glue, and Dimensionals or foam squares, and sequin embellishments.

Make Your Cuts:

- The Thick Basic White card base is 4 1/4" x 11", scored at 5 1/2".
- The Garden Green cardstock layer is 4" x 5 1/4"
- Cut the Designer Series Paper layer 4 3/4" x 3 1/2".
- The Basic White cardstock circle is 3" in diameter.
- The die cut flowers and leaves are stamped. I used Bubble Bath, Garden Green, and Granny

Apple Green ink.

Assemble the card:

- Lay the patterned paper layer on your surface upside down.
- Place the top left corner of the cardstock layer on the wrong side of the patterned paper layer as shown below.

- Hold the cardstock layer in place with low tack tape.
- Turn the layers to the right side and make sure the two bottom corners of the patterned paper are about 1/8" from the right side and bottom of the cardstock layer.
- If not, adjust the patterned paper layer.
- Adhere the patterned paper layer to the cardstock layer as shown on the card front.
- If you feel more comfortable, you can draw a pencil line on the back of the patterned paper layer and add adhesive, then attach to the cardstock layer.
- Trim off the side and top of the excess patterned paper layer. It's best to trim from the back.

- Stamp the sentiment onto the die cut circle. (I used Cherry Cobbler ink).
- Attach the flowers and leaves to the circle with Dimensionals as shown.
- Glue the circle to the cardstock layer as shown.

- I tied a double bow with White Bakers Twine and added a few Bubble Bath sequins to embellish.
- Stamp your sentiment on the inside and embellish.
