Supplies: There is a complete Supply Lis at the end of this Tutorial.

Make your cuts:

1. The card base is 5 1/2" x 8 1/2", scored at 4 1/4".
2. Cut 4 Basic White side panel mat layers at 1 1/8" x 4 1/8". These are for the card front side panels.
3. Cut 4 patterned paper strips 1" x 4". Two are for the front side panel top layers and two are for the inside side panels.
4. Cut 2 Basic White layer at 2 7/8" x 4 1/8". This is the front center mat layer, and inside writing layer.
5. Cut a patterned paper layer or stamp or die cut an image for the front center top layer. I used one of the cards from the Memories & More Card Pack. This layer is 2 3/4" x 4".
6. Cut a cardstock strip 3/4" x 5" 1/2". This is for the front "bridge" horizontal panel.
7. Cut a Basic White cardstock strip 5/8" x 5 1/2". This is for the top sentiment layer on the front horizontal panel.

Assembly:

1. Use your Paper Trimmer to cut the front layer flaps as shown. Place your cardstock into the paper trimmer at 1 1/4". Cut town to the center sore line on each side. You will have aa 1 3/4" flap on each side of the front of the card base.
2. Adhere the layers to the side panels. Attach the Basic White layers first, then the patterned paper layers.

3. Adhere the layers to the inside side panels as in #2. See the photo below.

1. Adhere the large center layers to the front flap and inside center.
2. Attach the white cardstock strip to the Boho Blue strip. Stamp your sentiment to the strip.
3. Add adhesive to the back of each side of the Boho Blue strip. ONLY ADD ADHESIVE TO THE ENDS - ABOUT 3/4" IN.
4. Attach the strip to the bottom of the side panels of the card front. See below.

Once you get going, you'll see everything fall into place. I hope you enjoy this Tutorial. Have fun with it and use your favorite patterned paper and elements to make a few.
