...the only limitation is your imagination

Supplies Used: There is a complete Supply List at the end of this Tutorial.

Make Your Cuts:

1. Cut the folio cover $4\frac{1}{2}'' \times 6\frac{7}{8}''$. Score on the $6\frac{7}{8}''$ inch side at $3\frac{3}{8}''$ and $3\frac{1}{2}''$.
2. Cut the left side inside vertical pocket $1\frac{1}{2}'' \times 4\frac{1}{2}''$.
3. Cut the right inside bottom pocket $2'' \times 3\frac{3}{8}''$.
4. Cut the white writing layer insert $2\frac{1}{2}'' \times 3\frac{1}{2}''$.
5. Cut the belly band $1\frac{1}{4}'' \times 8''$. Score at $2\frac{1}{4}''$ on one side.
6. Cut the elements for your front layer. I used one of the Deckled Edge Circle Dies. It measures $2\frac{1}{2}''$ in diameter.
7. **You will need 4 patterned paper layers that measure $3\frac{1}{4}'' \times 4\frac{3}{8}''$.**

Assembly:

1. Adhere the patterned paper layers to each of the four sides of the folio cover.

2. Adhere the left inside pocket to the inside of the folio cover.
3. Adhere the right bottom pocket to the inside of the folio cover.
4. Stamp the writing layer and insert it into the right inside pocket.
5. Assemble your belly band. You can take a look at the video to see this assembly.
6. **NOTE: The belly band is optional. You can create a ribbon, magnet, or latch closure.**
7. Assemble your front element cluster with coordinating elements. Attach it to the front of the belly band or front of the folio if you're not using a belly band.
8. Decorate the inside pockets with coordinating elements.
